**STONE** timeless elegance®

# Stunning stones and pebbles for your landscape project

Be inspired by the Gondwana landscape range

Waterworn and smooth, our stones and pebbles hark back to the ancient southern subcontinent of Gondwana. An enormous land mass that encompassed most of the Southern Hemisphere.

Enjoy the timeless beauty of stones that have been sculpted through the ages.

Rainbow Sandstones

## Cream to white tones

**Egg Shell White 30-80mm**

*Timeless off-white smooth and round egg shapes*

**Antique Cream Flat Stones 20-70mm**

*Elegant white smooth, flat stones with rounded edges*

**Cloudy White 10-20mm**

*Warm toned multi-faced and textured river stones*

**Cloudy White 20-60mm**

*Warm toned multi-faced and textured river stones*

## Sandstone

**Rainbow Sandstones 20-50mm**

*Sculpted smooth faces with subtle coloured patterns*

**Rainbow Sandstones 20-75mm**

*Sculpted smooth faces with subtle coloured patterns*

Every bag of Gondwana Stone is special. Nature's gifts offer a unique charm, and Gondwana Stone is no exception. The photographs depicted offer a guide to shape and size, however as these beautiful stones are sourced from nature, you can expect exotic variations in colour.
